SUMMARY

The purpose of the Team Referee Program is to help ensure that AYSO Region 92 recruits, trains, certifies, and fields enough volunteer referees to officiate at our Regional games. In this Program, volunteers agree to referee games during our Regular Fall Season. This document describes the implementation details of the Team Referee Program in AYSO Region 92 (El Segundo) for the current season.

Teams in all divisions will compete in pool play during the regular season regardless of the team's participation in the volunteer program. During the Fall Season, each team in Divisions U10 through U14 earning sufficient Team Referee Points by volunteering for referee assignments will qualify for post-season Regional Playoffs, which lead to Area and Section Playoffs.

Referee Volunteer Points Required to Qualify for Regional Playoffs:

<i>Age Group</i>	<i>Team Points Needed</i>	<i>Comments</i>
<i>U-10</i>	<i>16</i>	Smaller roster size; parents are typically newer to AYSO
<i>U-12</i>	<i>26</i>	Larger roster size
<i>U-14</i>	<i>36</i>	Larger roster size; families have experience with referee program

- Referee must be related (e.g. parent, guardian, sibling, aunt, uncle, etc.) to earn credit for a team.
- Referees should declare the teams for which they are qualified to earn credit (email the Regional Referee Administrator). Referees should identify teams for which they are designating credit when they sign up for an assignment; you may update this on the game card or within 2 weeks of the credit being posted.
- No monetary payments are permitted to referees to encourage participation.
- Credit is earned for up to three (3) game assignments per day (excludes mentor assignments).

- Coaches / Assistant Coaches should not do Referee (center) duty for another game in their division.
- It is OK to signup (after Wednesday) and do Assistant Referee duty for a family member's game.
