Allstars-

Allstar Policy update- 9v9, 12 player roster; we don't have to change policy, but this would be a good time to do so, since numbers are off now. Change number so the automatic selection is the same as the number on the field. Discussion regarding the numbers picked by the Allstar coaches and other coaches. Motion made by Rick to have the automatic selection for Allstars (u10-8, u12-9, u14-11) be the same as number of players on the field. Further review of current policy. Seconded by Erin. Aye-11, Nay- 2 motion passes.
